Capability Statement

Rebuilding the Black Nuclear Family

Timothy Evans, NYCPS, CASAC-T | New York City

B.R.I.D.G.E. LLC provides culturally responsive workshops, peer support, and skills development for children, adults, and families. We work with schools, agencies, and community organizations to tailor services to their needs.

Core services

Youth and family programming. Peer mentorship, group facilitation, fatherhood engagement, and workshops on identity, leadership, or family communication.

Peer and recovery support. One-on-one peer support, recovery coaching, relapse prevention planning, and harm reduction education.

Skills and resource navigation. Workforce readiness, life skills practice, and help identifying housing and community resources.

Relevant past performance

Bronx Hope School. Youth development and peer support consulting through the NYC ACS Division of Youth and Family Justice, 2026–2027.

St. John's Residence for Boys. Led a six-week ACS Older Youth Development Services series. Four young people completed the program and earned certificates.

Good Shepherd Services, Green House. Facilitated youth workshops and peer support through ACS Older Youth Development Services, with workshops documented December 2025 through February 2026.

Credentials and recognition

New York Certified Peer Specialist (NYCPS), Credentialed Alcoholism and Substance Abuse Counselor–Trainee (CASAC-T), Howie the Harp peer advocacy training graduate, and 2026 Casey Excellence for Children Award recipient.
